SUPPORTING THE CULTURAL ARTS

Cultural arts development is vital to a successful community. Supporting the cultural arts keeps Hamilton County a thriving place to live and work and ultimately makes our communities and businesses stronger.

Sponsorships and Donor Gifts help the Belfry Theatre acquire rights to outstanding plays and musicals, build sets, design costumes, turn on the lights, and maintain our building as a cornerstone of the Hamilton County community.

The Belfry Theatre receives no government funds and relies completely on community and patron support in order to bring its live theatre offerings to Hamilton County residents every season. The Belfry Theatre, home of the Hamilton County Theatre Guild, is a 501(c)(3) organization, and donations to the theatre are tax deductible.

We are very excited about our upcoming season, and we would like to extend an invitation for your business to join us in bringing live, quality theatre to the residents of Hamilton County.
